

Four Trotters for the November 19 Sale

Outstanding broodmare pedigrees

On Wednesday, November 19 at 6 p.m., four trotters consigned by Louis Baudron will go under the hammer, including two horses in training and two broodmares. If you wish to enter a lot, there's still time!

LIVE MY DREAM – C. 2021

A son of **Face Time Bourbon**, he is a brother to the Classic-winning **Intuition (€464,860)** and the three-time winner **J'Imagine**, from the outstanding **New York** maternal line.

"He has shown ability both in harness and under saddle. Lightly raced and unexposed in earnings, he's an ideal prospect for **Premium meetings**."

LAETICIA VRIE – F. 2021

Winner on turf, she is out of a sister to **Velasquez Vrie (€230,800)** and **Grisabella Vrie (€124,820)**.

"She's a **versatile filly**, slightly preferring **right-handed tracks**. With few earnings so far, she has a very open programme ahead of her in the regions."

BODEGUITA – F. 2011, in foal to IMPRESSIONIST

A proven broodmare with **five qualified foals from six produced**, including the talented **Northwood (1'17"5 at 2 years)**. Her best offspring include **Mindello (€43,500)** and **Kuala Lumpur**.

"Her 2025 colt by **Impressionist** is outstanding, so we had no hesitation repeating the cross this year. Impressionist's first generation shows an excellent qualification rate. She's also very easy to mate, being **free of Ready Cash blood**."

VIVE MAJYC – F. 2009, in foal to SINGALO

Dam of **Give Me Cash (Ready Cash)**, winner at **Cagnes-sur-Mer, Vincennes, and Caen** with total earnings of **€217,040**, and of **Majyc Flight (€47,000)**.

She is in foal to **Singalo**, whose qualified progeny average **€46,000** in earnings and include top names such as **Gaspar de Brion** and **Lisbonne Dry**.
