#### **Lot 10 – Française, sister to black-type performer So Majestic**

By *Saxon Warrior*, *Française* scored as a juvenile over 1800 metres on just her second start and added another win at three over 2000 metres. A model of consistency, she has placed in seven of her nine starts and is currently rated 38 in France.

**Jean-René Dubosc**, assistant trainer to Jean-Claude Rouget, said:

*"She had two solid campaigns at two and three. A bout of sciatica delayed her this year, but she's back in work now and should be ready to run again in the second half of the season."*

Her pedigree offers strong value: her dam has already produced four winners, including the Listed-placed *So Majestic* in Ireland. Both her second and third dams are proven producers of black-type performers and multiple winners.
