Sagara's track record

Runners in the Sagara silks have delivered numerous prestigious victories in recent seasons, such as **Roi Mage**, winner of the Gr.3 Prix Romati and still competitive at 13 with success in the Grand Cross de Craon, and **Royal Saga**, brilliant winner of the Gr.3 Prix La Périchole in 2024.

The Sagara breeding operation has also made a major impact in less than a decade, producing top-class performers such as **Mauricius**, a multiple Gr.1 winner over hurdles in Italy, and **Royale Margaux**. This dual success, as both owners and breeders, underlines the consistency and coherence of a programme firmly dedicated to National Hunt excellence.
