

Hunter Valley Sale

Foals bred for both racing and breeding

Hunter Valley is a proven incubator of champions, consistently offering some of the most attractive profiles to come onto the market. The foals catalogued for the Wednesday, 8 October sale at Haras de la Perrière carry strong potential both for the racetrack—where Hunter Valley graduates have enjoyed outstanding success—and for a breeding career.

- **Punchaya (Je M'Envole x Edifie Ia) F** - A neat filly very much stamped by her dam. Edifie Ia is the dam of Kuzco, a recent winner, while her "O" yearling in pre-training is shaping up nicely. This is the first crop of Je M'Envole.
- **Pay Master (Gotland x Serious Action) C** - A very attractive colt, from an excellent maternal line.
- **Purple Gain (Express Jet x Isla Jet) C** - A big, scopey filly with plenty of quality. Out of Isla Jet (€380,000), she is strongly stamped by her sire Express Jet and moves very well. A valuable broodmare prospect too, as Express Jet has produced many high-class fillies such as Keengame, Kana de Beylev and Kosa Nostra.
- **Phileas Fog (Impressionist x Fedorova d'Orgères) C** - By Impressionist, whose strike-rate of qualified progeny is exceptional. From the celebrated Netchka d'Orgères family (Village Mystic, El Villaggio, Face Time, etc.).
- **Pensée Sauvage (Alto de Viette x Cevennes) F** - A highly interesting filly with an attractive model already. Cevennes has already produced Kong du Dalm (€120,000) by Ready Cash, and that influential line appears again here. Moves with great ease – sure to turn heads.
- **Persei Crown (Krack Time Atout x Comme Une Etoile) F** - A lovely filly, sister to *Nastro d'Oro* (soon to debut) and full sister to *Luminous Star*, a regional winner and runner-up at Vincennes. Another sister, by Face Time Bourbon, is in training with William Bigeon, who is very pleased with her. An excellent broodmare prospect from the family of *Ma Crown* and in the very first crop of Krack Time Atout.
- **Pierpoljak (Karlito x Honesty Love) C** - First foal by Karlito. This attractive colt is a half-brother to the highly regarded *Marvel* and to *Nun Warrior*, also eagerly awaited. Direct from the *Love You* family.
- **Peppermint (Instrumentaliste x Jain de Celland) F** - From the first crop of Instrumentaliste, who has sired very attractive stock. Out of a sister to *Igrec de Celland* and from the close family of *Idao de Tillard*. A neat-moving filly with plenty of quality.
- **Powerplay (Express Jet x Kelina Josselyn) C** - The first foal of *Kelina*

Josselyn, a daughter of Face Time Bourbon. Strongly stamped by her sire Express Jet. The dam, a two-time winner, was very highly regarded before a health setback interrupted her career. A pleasing individual.

- **Please Run (Kanada x Lovely Run) F** - A superb pedigree. Lovely Run is a sister to Express Jet, by Fabulous Wood. This is the first crop of Kanada, from the direct line of Elite d'Atout. Features a central 3x3 inbreeding to Ready Cash.
- **Photograph (Je M'Envole x Song of Love) C** - A striking colt who moves very well, stamped by his dam and closely resembling Love You. From the first crop of Je M'Envole. A family packed with quality, including *I Still Loving You*. A true racing family.
- **Pretty Bee (Instrumentaliste x Busy Bee Jet) F** - A filly with a very strong physical – scope, frame and depth. From the direct family of Encombevaineuse, a pedigree of huge breeding appeal. A natural trotter who stands out. Already from a family of runners, including *Maya Bee*, *Let It Be* and notably *Jagerbomb*. *Ninja Bee*, recently qualified at Caen, will enter training with William Bigeon.
